

PRETORIA ISLAMIC EDUCATIONAL CENTRE

DARUL ULOOM PRETORIA

دارالعلوم پرتوریا

27 Years of Excellence in Higher Islamic Education

RAMADAAN 1437/2016 APPEAL

Says Allaah Almighty in the Holy Qur'aan:
"The parable of those who spend their wealth in the way of Allaah Subhaanahu Wa Ta'aala, is likened to a grain of corn which grows seven ears. Each ear bears a hundred grains. Allaah Subhaanahu Wa Ta'aala gives manifold increase to whomsoever He pleases. And Allaah cares for all and He is the Knower of all things." (S2:V261)

One of the principle objectives of the Darul Uloom Pretoria is to train and produce such people who would, in keeping with the teachings of the Qur'aan and Sunnah, become fully-equipped and skilled to guide the Muslims on the Straight Path; as well as to eradicate all the religious issues fabricated by mischief-mongers, in order to uphold the pristine purity of Islam. Such progressive Ulama would be amongst those who would be able to know at first hand the problems, doubts, and difficulties that constantly face the modern mind. Thereby readily be available to reach out successfully to eliminate social problems, uplift communities and convey the message of Islam to modern humanity.

In accordance with this theme, we have included subjects in our syllabus, which would cater for the needs of modern education, thereby fulfilling both religious and secular demands of an integrated educational system. This would enable the successful student to follow any academic career he wishes to pursue.

Darul Uloom Pretoria, owing to its unique educational programme and, in fact, dynamic approach to serve the cause of Islam attracts students from many neighbouring states such as Botswana, Mozambique, Swaziland, Lesotho, Tanzania, Malawi, and even parts of Europe and Asia, from approximately 18 different countries.

A great majority of these students have come in search of knowledge and do not have the means to satisfy their most basic needs. Many students come from impoverished backgrounds and it is not the policy of Darul Uloom Pretoria to turn any seeker of knowledge away. It is for this reason that an appeal is made to concerned Muslims to assist in whatever way you can.

The Darul Uloom Pretoria trains and develops personnel that are of service in the religious, educational and social aspects. As with any Institute of this nature, contributions from concerned and interested parties are welcome. Any contribution towards an Institute of Islamic Learning earns for the contributor Sadaqah-e-Jaariyah (everlasting rewards that accrue even after one leaves this world). In most instances, this could be paid from zakaat funds, enabling a person to discharge his duty, but at the same time fulfilling the needs of a Deeni student as well as earning for himself multiple rewards.

List of Graduates of DARUL ULOOM PRETORIA who performed Taraweeh at various places during Ramadhan 1436/2015 Nationally & Internationally

It is a reality that time eagerly awaits for personalities who can bring about praiseworthy confidence, a greater peaceful order and a religious revolution, which can extinguish the fire of evil from the world, and in its place establish everywhere an atmosphere of piety to lay a solid foundation of imaginative observation, active endeavour, education and training on which impregnable foundation of Divine love, love for the Holy Prophet (Peace be upon him) and his beautiful Sunnah could be established. It is for the achievement of this very fundamental goal that the DARUL ULOOM PRETORIA came into existence in the year 1990.

Each year the Darul Uloom Pretoria sends many Huffaaz to various places across South Africa, its neighbouring countries and even abroad. In most instances the listings of the responsible Huffaaz is made, but in reality the group consists of at least two.

Many centres confirm Huffaaz for the following year on completion of the performance of the Students. However, the demand for Huffaaz is always on the increase with newer establishments coming into effect on a continuous basis. We do urge interested parties to contact the DARUL ULOOM PRETORIA timeously so as to avoid disappointment.
